MONTANA
THE MAGAZINE OF WESTERN HISTORY

BIENNIAL INDEX

VOLUME YEARS

1978 AND 1979

VOLUMES XXVIII AND XXIX (28 AND 29)

EXPLANATION OF STYLE

Entries in the index are arranged alphabetically under name, subject and author, beginning with volume year 1978 (v.28), following in order through volume year 1979 (v.29).

Titles of articles, books, newspapers, paintings and films, and names of steamboats appear in italics.

Source references include, in this order: Number of the issue within the volume (Winter 1, Spring 2, Summer 3, Autumn 4), and the page number or numbers. The small letter "n" indicates a footnote or biographical sketch reference, the letters "ff" indicate further mention beyond the page given. The use of a hyphen between page numbers (1-10) indicates the subject is treated fully in those pages inclusively.
